The Director of Central Intelligence
Washington, D.C. 20505

Intelligence Research and Development Council

IR&DC 88-0035

28 SEP 1988

MEMORANDUM FOR: Members, Intelligence Research and Development Council

SUBJECT: Earth Penetrating Radar [redacted]

25X1

1. The Council has been asked for support by the Deputy Director for Requirements and Evaluation of the Intelligence Community Staff in providing a survey of Earth Penetrating Radar Technology. This survey to include an assessment of whether this technology may hold promise for the Intelligence Community. [redacted]

25X1

2. Therefore, I would like to receive your views on the technical viability of this technology as well as a description of any ongoing efforts that you may have, and an indication if known of what work may be underway in other areas of the Government, or Industry or Academia. [redacted]

25X1

3. I would appreciate your providing this information to the Executive Secretary by 28 October. [redacted]

25X1
